Governance, Risk Management and Compliance Expert (GRCE Program)

Welcome

The Professional Development Institute® (PDI) is one of the leading international institutions specialized in qualifying and developing professional competencies. It is headquartered in the United Kingdom (UK) and has a proven track record in preparing specialized professionals across vital sectors, including banking, finance, and insurance. PDI is distinguished by offering internationally recognized professional certifications that enhance individual efficiency and strengthen their capabilities in the global workplace.

The Governance, Risk Management and Compliance Expert (GRCE) certificate is a comprehensive professional qualification designed to equip participants with integrated knowledge and practical skills across governance structures, board effectiveness, enterprise risk management, and regulatory compliance.

The program adopts international best practices and frameworks—such as COSO—to enable professionals to operate effectively within both local and global business environments. The GRCP program supports organizations in strengthening oversight, managing risk proactively, ensuring regulatory compliance, and enhancing long-term sustainability.

What you will Learn- Key Takeaways

- Understand the evolution, principles, and global frameworks of corporate governance
- Apply governance best practices aligned with international standards
- Define and execute the roles and responsibilities of boards and board committees
- Implement effective risk management and internal control systems using the COSO framework
- Identify, assess, and monitor risks using Key Risk Indicators (KRIs)
- Integrate governance, risk management, and compliance into a unified GRC framework

What you will Learn- Key Takeaways

- Develop and manage regulatory compliance programs
- Build a practical compliance management framework that supports organizational strategy
- Enhance organizational transparency, accountability, and decision-making
